

Two Volunteers Needed

Newsletter Creator:

MAACO is looking for an energetic and creative person to produce a bi-annual or better yet quarterly newsletter. This person will need to solicit news and information from the Animal Control Departments from around the state on a regular basis as well as any Board of Director news and put it into a newsletter format both paper and electronic. Software can be provided if needed. Contact MAACO President Tom Miller at 269-467-6475 if interested.

MI SART Board of Director Representative:

In September 2008 there will be an opening for a MAACO Representative on the Michigan's State Animal Response Team's Board of Directors. This person needs to be familiar with Incident Command and FEMA by taking several on-line courses and be willing to attend any upcoming training exercises.

In order to be on the Board of Directors, one must be credentialed. The following link shows the minimum training that is expected. Level one is a minimum and Level two is currently recommended although some in Level 2 may soon move to Level 1. <http://www.michigansart.org/training.html>
Contact Steven Hummel at 517-930-0391 if you are interested in being on the disaster response team.
