

MAACO is a non-profit organization registered with the State of Michigan dedicated to the enhancement of the profession of Animal Control Officers in the State of Michigan by establishing professional standards, training and practices, for the control and care of animals and the protection of the public health. This association will strive to advance the image and understanding of the role of the Animal Control professional by fostering public education and awareness of their vital role in our society. This association will be ever vigilant in our quest to insure the humane treatment of animals while protecting our environment and the health of our citizens.
