

# Euthanasia By Injection Virtual Certification

Thursdays 8:30am-1:30pm  
**Must attend all sessions for certification**  
November 5<sup>th</sup>- November 19, 2020

Hosted by **Michigan Association of Animal Control Officers**

## LIVE Online Sessions

Sessions meet online each week facilitated by HSUS certified euthanasia instructor Dr. Cathy Anderson, licensed veterinarian with a master's degree in shelter medicine. This training meets and exceeds the minimum requirements for euthanasia technician training as outlined under Michigan Law.

Topics include: History of animal shelters and euthanasia, understanding euthanasia drugs and dosages, drug administration methods, humane restraint techniques, verification of death, managing stress and compassion fatigue, federal and state requirements.
